

# Rheumatic Heart Disease Update

For general practitioners, general practice nurses, managers, and health professionals

An educational workshop is being held in Mackay for general practitioners, general practice nurses, managers, and health professionals aimed at providing a basic refresher of the new Australian ARF/RHD guidelines. Increasing awareness, knowledge, and management of acute rheumatic fever (ARF) and rheumatic heart disease (RHD).

Topics will include prevention, diagnosis, and treatment of clients with ARF and RHD, notifications in line with the Queensland Public Health Regulation, the burden of the two diseases in Queensland, procedural support techniques, and the RHD register.

*There is no cost involved in attending this event. Light refreshments will be provided, please advise of any dietary requirements upon registration.*

Speakers include:

- Georgina Hughes, *Clinical Nurse Consultant QLD Rheumatic Heart Disease Register and Control Program*
- Louise Axford-Haines, *Clinical Nurse Consultant QLD Rheumatic Heart Disease Register and Control Program*
