Prescribing medicinal
cannabis in 2021

Presented by General Practitioner Dr. Jamie Rickcord

Presenter: Dr. Jamie Rickcord

Dr Jamie Rickcord of ANANDA clinics in Byron Bay, NSW, practices a holistic integrative approach and is an experienced medicinal cannabis prescriber. He has treated a variety of symptoms associated with common medical conditions such as: anxiety, depression, sleep disorders and pain.

Dr Rickcord is available to answer any questions and provide education on the subject of integrative plant medicine and medicinal cannabis.

Co-presenter: Barb Fullerton

Barb is the National Education Manager of Little Green Pharma, Australia's first producer and grower of medicinal cannabis. Barb will give an overview of the Australian medical cannabis industry, specifically the value of locally sourced and produced medicines.

The evening will cover:

- 🌿 Medicinal Cannabis – overview & evidence
- 🌿 Eligibility and prescribing process
- 🌿 Patient case studies
- 🌿 Q&A

Wednesday, 10 February 6pm AEDT

(≈1 hour depending on Q&A) **RSVP MONDAY, 8 FEBRUARY**
