

ERA-EDTA 2021 Congress Highlights Webinar

[Register Here](#)

In a year where peer to peer discussions are more important than ever and even though we can't yet meet in person, the ERA-EDTA 2021 Congress Highlights webinar will provide a digital platform for international scientific exchange in Nephrology care.

Designed and led by a prominent faculty of international experts and chaired by Professor Pollock, these 2 live webinars open firstly by bringing home the key highlights and hot topics of ERA-EDTA 2021 Congress regarding the optimal management of people with Kidney Disease. This is underpinned by the key theme of the congress "HEALTHY ENVIRONMENT, HEALTHY KIDNEYS" where the concept of green nephrology has never been more possible nor indeed more essential.

I look forward to welcoming you.

Sincerely,

Professor Carol Pollock

ERA-EDTA 2021 Congress Highlights Webinar

Join this live webinar bringing home the key conference highlights from ERA-EDTA 2021 Congress. In 2021 this has been fully reimaged into a hybrid digital and F2F meeting with 200+ sessions, e-posters and presentations planned.
