

HIV Prevention Strategies and Sexual Health Update

For GPs, nurses, midwives, Aboriginal and Torres Strait Islander health workers, and pharmacists

Northern Queensland Primary Health Network (NQPHN), together with Mackay Hospital and Health Service, invite you to attend a comprehensive Sexual Health Education Update.

This update will provide the latest information on STI testing and treatment, and HIV prevention strategies.

Presented by:

- Dr Clare Heal, Visiting Medical Officer
Mackay Sexual Health Clinic
- Donna Pini, Nurse Practitioner
Mackay Sexual Health and Sexual Assault Service

Learning outcomes:

- Identify the priority populations for STI and BBV testing and strengthen the uptake of STI and BBV testing in primary health care.
- Identify and treat STIs according to recommended treatment guidelines and initiate contact tracing.
- Describe current HIV prevention strategies such as HIV Pre-exposure Prophylaxis (PrEP) and HIV Post-exposure Prophylaxis (PEP).

DATE

Wednesday 11 August 2021

TIME

Registration: 5.30pm
Program: 6pm–8pm
