

Training in sexual assault disclosure, response, and the referral pathway

For general practitioners, practice managers, and practice nurses

Northern Queensland Primary Health Network (NQPHN), together with The Women's Centre, invite general practitioners, practice nurses, and practice managers to attend an education session on sexual assault disclosure, response, and the referral pathway.

Training topics:

- responding to a sexual assault disclosure, including intimate partner sexual violence
- Sexual Assault Response Team (SART)
- Townsville's referral pathway
- Townsville Sexual Assault Support Service
- forensic medicals examinations for victims of sexual assault
- police investigations and their role in SART
- sexual health follow ups
- Q&A.

Sexual Violence Awareness Month is held in October, raising awareness about sexual violence and promoting available support options.

Please RSVP by Thursday 14 October 2021. Drinks and nibbles will be provided.
