**ATTENDEE
FEEDBACK**

"Very useful, relevant and well organised. Good case studies."

"Excellent presenter, great content."

Earn 12 MH CPD points in 3 Evening Webinars

This webinar series is offered as 3 short interactive webinars over 3 consecutive evenings. It enhances the General Practitioner's ability to diagnose, assess and manage psychosis and schizophrenia, imparting practical aspects, such as:

- What is psychosis?
- Assessment of psychosis / schizophrenia
- Diagnosing bipolar disorder
- Psychopharmacology of antipsychotics
- Initiating and switching of antipsychotics
- Management of side effects
- Shared decision making to individualise treatment
- Evidence based management of schizophrenia

Masterclass Presenter

Dr Sanil Rege MBBS, MRCPsych, FRANZCP

With extensive teaching experience through his various psychiatry course initiatives, Sanil is renowned as an enthusiastic and motivational training facilitator who promotes interaction and discussion. As the founder and Academic Lead of Psych Scene, he aspires to make a difference in mental health by empowering Healthcare Professionals to advance their skills and career through specialised training. Sanil is also founder of Vita Healthcare, a private clinic in Mount Eliza specialising in mental health.
