

# Northern Queensland Doctors' (Townsville) Community of Practice Series

Townsville  
Hospital  
and Health  
Service

Townsville Hospital and Health Service GP Link, in partnership with NQPHN, Townsville HealthPathways and James Cook University would like to invite GPs to our collaborative care event.

**Aim:** Where doctors come together to discuss current and emerging issues, share medical knowledge, and create an interconnected health workforce in Northern Queensland.

## Topic:

*Geriatrics: Driving With Dementia*

Our panel-led case discussions usually consist of:

### Presenters:

- Dr Angeline Khoo – Specialist
- Dr Wai Lee – General Practitioner
- Dr Laura Macdonald – General Practitioner Registrar

### Facilitator:

- Dr Wai Lee

### These interactive sessions discuss:

- When to revoke license
- Driving with dementia
- Driver assessment and Occupational therapy

## Date:

Thursday, 26 May 2022

## Time:

Session 7.00pm - 8.00pm

## Venue:

ZOOM only
