## WHEN AND WHERE

As a part of the development of the Torres and Cape Suicide Prevention Community Action Plan (SPCAP), Northern Queensland Primary Health Network (NQPHN) in partnership with Beacon Strategies invites sector stakeholders, community members and people with a lived experience from Seisia, New Mapoon, Bamaga, Umagico and Injinoo to participate in a series of focus group sessions

The sessions aim to understand the needs, issues, strengths and opportunities of suicide prevention in the Torres and Cape region and capture the opinions, experiences and input of all stakeholders. The workshops will be facilitated by Beacon Strategies with support from local agencies.

This Meeting will be a specifically tailored for:

- **Health and Hospital Service Staff:** anyone who works directly for the Torres and Cape HHs as well as service staff that are regularly accessing HHS services.

Find out more information about this project by visiting [www.torresandcapespcap.com.au](http://www.torresandcapespcap.com.au).
