Back to Basics Wound Care Seminar

Saturday 16 July, 7:30 AM - 2:30 PM

In partnership with Dr. Michelle Gibb,
SSS Australia is hosting a Back to Basics
Wound Care seminar in Mackay.

Focusing on the basics of wound care Michelle will be discussing treatment options for different types of common wounds, how to best address challenges in wound care, and addressing case studies that will be submitted by attendees to provide real-world examples found in the workplace.

The Back to Basics Wound Care seminar will offer healthcare professionals an in-person opportunity to refresh their skills and knowledge in the basics of wound care. Guests will be able to use the time spent in the seminar towards their Continuing Professional Development (CPD) requirements that aim to maintain, improve, and broaden their professional knowledge.

Attendees will also be able to take part in a trade show after the seminar to meet with major suppliers such as 3M, Sutherland Medical, and many others. Take a moment to find out about the latest in wound care from industry leading brands on display.

Food and refreshments will be provided throughout the day. Receive a gift bag with goodies from all of our exhibitors along with product information, and samples.
