Developing a sustainable HIV,
viral hepatitis & sexual health workforce

QLD Hepatitis B Prescriber Update Webinar

Join our experts for a facilitated case discussion

Monday, 17th October, 6pm – 7.30pm (AEST)

This interactive training, led by **Tony Rahman**, Director of Gastroenterology & Hepatology will provide HBV prescribers with an opportunity to apply their knowledge and skills to practical case studies spanning diagnosis to treatment initiation and ongoing monitoring.

Attendees are also encouraged to submit their own cases for discussion. You can receive a second HBV CPD point by submitting and discussing one of your own de-identified patient cases on the night. Please send any cases to skye.ohalloran@ashm.org.au by Monday 3rd October.

Through online learning and virtual teaching, participants will learn to:

- Plan guideline-based monitoring for patients with chronic hepatitis B
- Evaluate chronic hepatitis B patients' suitability for antiviral treatment
- Select and prescribe appropriate first-line antiviral medication for patients with chronic hepatitis B
