

Osteoporosis education workshop

For primary care nurses

Reframe Osteoporosis, in collaboration with Northern Queensland Primary Health Network (NQPHN), invite primary care nurses in Cairns and Far North Queensland to attend an osteoporosis education workshop.

Discussion topics

- The role of the nurse in identifying, screening, and managing osteoporosis in primary care.
- 'The Big O' national awareness campaign and its impacts on practices.
- The Bone Bus – mobile bone densitometry service.

Presenters

- Karen Kemp – Osteoporosis Nurse Educator for FNQ, Reframe Osteoporosis.
- Laura Skirrow – The Big O Osteoporosis Community Awareness, Amgen.
- Nicole Gibson – Osteoporosis Nurse Educator, Reframe Osteoporosis.
- Rael Wulfsohn – National Sales and Relationship Manager, The Bone Bus.

The option to attend via videoconference is available at time of registration.
