

# Pen CS CAT Plus training

For general practice staff

Northern Queensland Primary Health Network (NQPHN), together with Pen CS invite general practice staff to attend a face-to-face, interactive Pen CS CAT Plus training.

## CAT Plus topics covered:

- an overview of CAT Plus
- improving patient health outcomes
- managing chronic disease patients at your practice
- maximising business potential
- PIP QI for general practice
- Pen CS resources: user administration, user guides, installation, and support.

Presented by Pen CS ICT Support Analyst Pruthvi Patel.

*\*There are two session times to choose from, with each session including the same content. Each session will include a 20-minute break.*
