

# What's next?

COVID, Monkeypox, Japanese encephalitis, ABLV, and Diphtheria

Northern Queensland Primary Health Network (NQPHN) invites general practitioners and nurses in Mackay to join Townsville Public Health Unit Director Dr Steven Donohue for an update on COVID, Monkeypox, Japanese encephalitis, Lyssavirus (ABLV), and Diphtheria.

## Learning outcomes:

- knowledge of world trends in disease management post COVID
- identify new emerging diseases
- awareness of the reappearance of 'ordinary' infectious diseases
- understand the importance of timely reporting of notifiable diseases.

The option to attend virtually via Microsoft Teams videoconference is available when registering.

Light refreshments will be provided.
