

Clinician Education Session

Safer Baby Bundle: Updates and Future Directions

Presenters:

Dr Frances Hills, Staff Specialist Women's Health, Cairns Hospital

Simone Naughton, Regional Maternity Services Coordinator, Cairns Hospital

The Cairns and Hinterland Hospital and Health Service (CHHHS), Maternity service, would like to invite GPs to this education event.

This interactive session aims to discuss:

- Risk factors for and contemporary evidence-based practice related to stillbirth prevention
- Updated CHHHS foetal growth restriction screening and referral pathways for GPs
- Future directions for Safer Baby Bundle and timing of birth
- Open questions from GPs to address concerns and challenges faced in primary care

Attendance certificates will be provided
