

AN INVITATION

Icon GP CPD Conference

9-10 September 2023, JW Marriott Gold Coast Resort & Spa

Join us for our highly anticipated annual cancer care CPD conference at the breathtaking five-star JW Marriott Gold Coast Resort & Spa.

Immerse yourself in a rich educational program that focuses on practical knowledge applicable to real-world cancer care in a primary care setting. Engage with leading oncology specialists discussing the latest advancements in cancer screening, diagnosis, early interventions, holistic primary care during treatment, survivorship and haematology.

Experience the perfect blend of professional growth, relaxation and quality time with your family

Our program has been thoughtfully designed to offer a balance of enriching education, networking opportunities and relaxation. On Saturday you'll have the chance to participate in our engaging educational workshops, leaving you with the remainder of the weekend to enjoy the sights of Surfers Paradise and the luxurious amenities of the five-star resort.

Expand your professional network by connecting with some of Queensland's most renowned oncology specialists

The weekend provides an exclusive platform for fostering collaborations and expanding your professional network. You'll have the opportunity to attend relaxed social functions, including our highly anticipated Saturday night cocktail party where partners are welcome. ^

Discover the unrivalled elegance of the five-star resort

With its luxurious rooms, award-winning service and enviable location within walking distance of Surfers Paradise beaches, the resort offers a range of family-friendly facilities, from tranquil saltwater lagoons and an outdoor freshwater pool with a slide to a fitness centre, daily fish feeding and snorkelling in the saltwater lagoons.

Don't miss out on one of the year's most highly rated conferences, where you'll gain valuable knowledge and earn RACGP CPD activity hours.* Reserve your spot now to secure your attendance at this exceptional event.
