Suturing Course

Saturday, 26 August 2023

9 Educational activity hours

6.5 Performance review hours

6 MOPS (Emergency medicine) hours

About the course

This course provides the theoretical and practical essentials to close and manage noncomplex traumatic laceration, biopsies and surgical excisions.

The course is ideally suited to nurses, medical students and doctors that have little or no suturing experience or wish to advance their current basic skill of only using single interrupted suturing technique.
