

# Cairns Disaster Planning Workshop for Residential Aged Care Homes

[Click here to register](#)

## Does your facility have a current Disaster Management Plan?

Northern Queensland Primary Health Network invites you to a **FREE Disaster Planning Workshop for Residential Aged Care Homes (RACHs)**.

**IMPORTANT:** This workshop is for the person within your RACH who is responsible for the facility's Emergency Disaster Management and Business Continuity planning.

### The event aims to:

- increase understanding of Queensland Disaster Management arrangements and responsibilities
- promote tools and resources to assist aged care facilities in developing emergency plans
- facilitate scenario discussion to workshop considerations across agencies and facilities
- increase awareness of local hazards and risks
- enhance resilience networks for the aged care sector.

**Note:** *The Queensland Disaster Management Arrangements (QDMA) training module is a pre-requisite for all participants to complete prior to attending this workshop. Details will be emailed directly to attendees.*

## Date

Friday 1 December 2023

## Time

Start: 9am

Finish: 3.30pm

*Morning tea and lunch provided.*

## Where
