

PIP Indigenous Health Incentive (IHI)

The Practice Incentive Program (PIP) Indigenous Health Incentive supports general practices and Indigenous health services (practices) to provide better health care for their Aboriginal and Torres Strait Islander patients. This includes best practice management of chronic diseases and mental disorders.

NQPHN acknowledges the Aboriginal and Torres Strait Islander peoples as Australia's First Nation Peoples and the Traditional Custodians of this land. We respect their continued connection to land and sea, country, kin, and community. We also pay our respect to their Elders past, present, and emerging as the custodians of knowledge and lore.
