viral hepatitis & sexual health workforce

## National HIV s100 Peer Support and Case Discussion Session

**Date:** Wednesday 6 March 2024

**Time:** 7:00pm – 8:00pm (AEDT)

**Virtual Attendance:** Online – Zoom

### Description

ASHM'S HIV s100 Peer Support and Case Discussion Series aims to support newly accredited, rural and remote, and low case-load HIV s100 prescribers.

Dr Samuel Elliott (Specialist General Practitioner, Riverside Medical Centre) and Dr Lane Hinchcliffe (Principal General Practitioner, Health Hub Family GP) will be presenting cases from their own clinical practice and answering participant questions.

This session will provide an opportunity for prescribers to participate in case discussions, ask questions, seek advice, and network with other prescribers.
