Description

ASHM is pleased to announce that the second annual Hepatitis B Prescriber Forum will be held online on Friday 22nd March 2024.

With expert panels and interactive case discussions, the 2024 Hepatitis B Prescriber Forum is an opportunity to dive deep into emerging areas of hepatitis B treatment and management and discuss the contemporary issues facing hepatitis B clinical care in Australia.

Submit a 10-minute case study. By submitting and discussing a case, you can receive an additional HBV CPD point, totaling 3 CPD points to acquire all required CPD points for the year. Please send cases to Skye.OHalloran@ashm.org.au by Friday 1 March 2024.

Target Audience

Hepatitis B s100 GP and NP Prescribers, Sexual Health Registrars and Physicians, Infectious Diseases Trainees and Physicians, and medical practitioners who are interested in prescribing Hepatitis B s100 medication and managing patients living with hepatitis B.

Learning Outcomes

- Describe barriers to accessing hepatitis B management, treatment, and linkage to care.
- Evaluate hepatitis B patients' suitability for monitoring and treatment.
- Develop guideline-based approaches for managing patients with hepatitis B, referring to both clinical- and community-facing resources.
