NQPHN acknowledges the Aboriginal and Torres Strait Islander peoples as Australia's First Nation Peoples and the Traditional Custodians of this land. We respect their continued connection to land and sea, country, kin, and community. We also pay our respect to their Elders past, present, and emerging as the custodians of knowledge and lore.

## Eligibility criteria

1	Aligns with TRISP guidance
All projects must align with guidance for Targeted Regional Initiatives in Suicide Prevention (TRISP). Please tick to indicate your project aligns. Guidance can be found <a href="#">here</a> .	

2	Aligns to a social determinant of suicide		
All projects must relate to at least one social determinant of suicide. Please tick to indicate which of the following your project relates to.			
Bullying and harassment		Contact with the justice system	
Chronic pain and health conditions		Damage to cultural continuity/connection	
Family and other relationship dysfunction		Domestic, family, and sexual violence	
Discrimination and stigma		Financial distress	
Educational disruption		Employment distress	
Food insecurity		Harms of gambling	
Housing insecurity and homelessness		Harms of alcohol and other drugs	
Impacts of adverse childhood experiences		Impacts of traumatic events	
Intergenerational/transgenerational trauma		Isolation	
Loneliness			

3	Willingness to work in partnership with NQPHN and Suicide Prevention Community Action Plans
NQPHN funds Suicide Prevention Community Action Planning (SPCAP) across northern Queensland. If you are successful, you will be required to engage with SPCAP committees and coordinators relevant to your region. Please tick this box to indicate you are willing to do this.	

4	Existing presence within the northern Queensland region
All applicants must have an existing presence within the NQPHN region. Please provide the street address/es of where your organisation is located.	

**Assessable criteria**

All applicants must respond to each of the following criteria, which will be assessed by a grants assessment panel.

1	Commitment to participate in capability and capability building		
Please confirm you are willing to engage in capability building activities to further develop your project or initiative.			
Yes		No	

2	Commitment to participate in evaluation training		
Please confirm you are willing to engage in evaluation training.			
Yes		No	

3 | Idea pitch

What is your project or initiative? Why is it needed and what will it deliver?

Page limit

Up to 1 page

Large empty rectangular area for writing the project pitch.

4   Moving to project readiness	
What will your organisation need to ensure your project or initiative can be initiated, without delay, between October and December 2024? Please tick all that apply.	
Operationalise – How to cost out the aspects required to make the idea deliverable.	
Governance – How to get the right support and steering group to realise a proposal.	
Capability – How do I describe my organisation and its workforce is able to run this project.	
Something else.	
Please provide more detail on what support or capacity building may assist you.	
Page limit	Up to 1/2 page

5	Longer-term capability building
---	---------------------------------

How will undertaking your project or initiative build longer-term capability of your organisation to contribute to community wellness and suicide prevention activities?

Page limit	Up to 1/2 page
------------	----------------

--	--

Where there is an auspice arrangement in place, how will the auspicing body support the capability and autonomy of the other party?

Page limit	Up to 1/2 page
------------	----------------

--	--

6   Budget	
What is the indicative budget needed for your project or initiative?	
What proportion of the budget might be needed for staffing, contractors, and/or volunteers?	
Besides staff/volunteers/contractors, what other costs are involved?
