

MND Roadshow

Rydges Hotel Mackay

30 & 31 May

Join us for two days of MND information for people living with MND, health professionals, care providers, NDIS providers, carers and community members. Leading experts will travel to Mackay to cover a wide range of topics related to a person living with MND as well as clinical care and community information.

Thursday 30 May for Allied Health/ Nurses/ Aged Care/ PHN/ NDIS/ Care providers

These sessions will provide relevant information for people involved in the care of a person with MND.

Presenters to include:
Neurologist
Respiratory Physician
Allied Health clinicians
Non-clinical Support Service providers
Palliative Care specialist
Social Worker - Bereavement considerations
MND Researchers

Friday 31 May for people with MND

These sessions will be general information aimed at the person with MND and their family members or anyone with an interest is welcome to attend.

Presenters to include:
Neurologist
Allied Health clinicians
Support Service providers
Palliative Care specialist
