

We invite you to join us for an educational dinner

Fertility, PGT Lasers and Genetic Carrier Screening

What is new & what you
need to know

Wednesday 24 July 2024 6–9pm

Crystalbrook Flynn 68-72 Abbott Street, Cairns

QFG Cairns is proud to be the only fertility clinic in North Queensland to offer pre-implantation genetic biopsy locally with the introduction of the RI Saturn 5 fixed and directional laser system.

Join us for in an person 3 course meal or join online via Webinar using the QR code below.

Dr Ruth Hodgson

Local Fertility Specialist, Dr Ruth Hodgson, will update you on the recent advances in fertility and what GP's need to know about Genetic Carrier Screening.

Dr Katrina Vogler

Local Obstetrician and Gynaecologist, Dr Katrina Vogler, will discuss the latest updates and treatment options for your patients with endometriosis.

REGISTER NOW places are limited.
