

Urgent Care Nurse Stream workshops

Free for nurses working within general practices

Northern Queensland Primary Health Network (NQPHN), together with The Benchmark Group invite nurses working in the northern Queensland region with an interest in urgent care to participate in upcoming urgent care workshops.

These workshops are designed to refresh and build skills in a range of areas important to the urgent care space including:

- Clinical Assessment: Managing Emergencies in Primary Healthcare.
- Splinting, Immobilisation, and Fracture Management.
- Wound Closure course.
- Perform Peripheral Intravenous Cannulation.

Nurses can register to attend one or multiple workshops and are encouraged to register early as places are limited for all workshops.

For further information, please contact The Benchmark Group on 1300 855 568 or email courses@benchmarkgroup.com.au

Cost

These workshops are fully funded by NQPHN, to support nurses to enrol at no cost, using the discount codes provided below.

Address

All workshops will be held at NQPHN Mackay Training Centre, 2/45 Victoria Street, Mackay.
