

# Provider Connect Australia™ (PCA™) educational webinar

For healthcare providers

Northern Queensland Primary Health Network (NQPHN) invite healthcare providers interested in learning about Provider Connect Australia™ (PCA™) to tune into this 30-minute webinar.

PCA™ is an initiative of the Australian Digital Health Agency to help healthcare provider organisations update their business information in a single source. This improves the accuracy of healthcare service and practitioner information, while reducing duplication and streamlining notifications.

Healthcare providers can use PCA™ to provide consistent, up-to-date information about healthcare services to funders, health service directories, communication services, and other key partners in your healthcare service deliver.
