viral hepatitis & sexual health workforce

Cairns Hepatitis B s100 Prescriber Course

Upon successful completion of this free training and the associated case assessment, eligible participants may apply to the relevant state departments of health for authority to prescribe Section 100 (s100) drugs for the management of hepatitis B in Australia.

Date: Sunday, 8th December 2024

Time: 8:30am – 4:30pm (AEST)

Venue: Novotel Cairns Oasis Resort, QLD

Target Audience: General Practitioners, Nurse Practitioners, other community based medical practitioners based in Cairns, QLD.

Speaker: Dr Josh Hanson, Infectious Disease Physician, Cairns Hospital

Course Components: This course will be presented as a face-to-face learning with elements of self-paced, providing attendees an opportunity to discuss and practice strategies with peers and specialists. This is comprised of:

- Online Learning Modules
- Multiple choice quiz
- Face to face presentations and case discussions will be delivered by specialists and primary care providers with expertise in hepatitis B.

Learning Outcomes: Through online learning and virtual teaching, participants will learn to:

- Outline the critical role of primary care in the diagnosis, management and treatment of people living with chronic hepatitis B
- Plan long-term care, including guideline-based monitoring and hepatocellular carcinoma screening, for patients with chronic hepatitis B
- Select and prescribe first-line antiviral treatment when clinically indicated
- Identify situations where specialist advice or referral is required
- Integrate principles of person-centred and culturally competent care into hepatitis B management
