

# Immunisation Course for Healthcare Professionals

Expression of Interest

Healthcare professionals working in the Northern Queensland Primary Health Network (NQPHN) region are invited to express their interest in a limited number of fully funded placements (at a value of \$850 per person) to complete Benchmark Group's [Immunisation Course for Healthcare Professionals](#).

The immunisation course is designed for professionals who can practice as approved immunisation providers. The course combines online learning with a virtual workshop – providing the benefit of practicing theoretical skills acquired in the online learning in the workshop.

Learning outcomes align with national legislative requirements and is based on the National Immunisation Education Framework for Health Professionals. The course is accredited by Health Education Services Australia (HESA).

Available places are limited. To secure a place, register your expression of interest by **4pm, Friday 28 February 2025**.
