

Navigating Palliative Care in North Queensland educational dinner

For GPs, primary care nurses, HHS palliative care teams, RACH aged care workers, support at home workers, death doulas, and Compassionate Community health connectors

Join Northern Queensland Primary Health Network (NQPHN) and PallConsult for a palliative care educational dinner, to connect with expert speakers and organisations, while enjoying a complimentary meal.

The evening will cover the latest industry news and updates from experts including PallConsult, BlueCare, PACOP, Mackay Hospital and Health Service, SPACE, SPaRTa, CaRs, ELDAC, QAS, and NQPHN.

Don't miss this opportunity to enhance your knowledge and network with peers in the field.

Evening's topics

- NQPHN Older Persons Health and Palliative Care team's role and projects.
- The Greater Choices for at Home Palliative Care measure.
- PallConsult's After-hours specialist palliative care advice and resources.
- Palliative Aged Care Outcomes Program (PACOP) model of care supporting aged care homes.
- Pop-up mobile palliative care service in the Cape (Port Douglas).
- Queensland Ambulance Service role in palliative care.
- Defining palliative support services outside the hospital environment.
- Bluecare regional and remote community Palliative Care Service.

Please note: Whilst this is a free event, attendees are asked to register for catering purposes.
