

Townsville Public Health Unit 2025 Immunisation Update

For general practice, pharmacy, and RACH staff

The Townsville Public Health Unit (TPHU), together with Northern Queensland Primary Health Network invite general practice, pharmacy, and residential aged care home (RACH) staff to attend the 2025 Queensland Immunisation Program update.

Presented by the TPHU, the session will discuss:

- Annual influenza program advice (2025)
- COVID vaccinations
- Recent immunisation program updates
- Queensland free flu vaccination program advice (2025)

The update will be hosted in-person and online via videoconference. To attend in-person, please register by COB **Tuesday 29 April 2025**.

Light refreshments will be served for anyone attending in-person.

Date

Wednesday 7 May 2025

Time
