

# After-Hours Action Plan in RACHs round 2 workshop

For RACH managers, GPs, nurses, QAS, emergency department, HHS, and in-reach staff

Building on our 2024 workshop series, Northern Queensland Primary Health Network (NQPHN) invites healthcare providers who care for residential aged care home (RACH) residents after hours to join us for the second round of workshops.

The 90-minute workshop will offer updates on topics discussed in the first round, as well as interactive activities and opportunities for discussion and feedback on NQPHN's initiatives.

This online workshop provides an opportunity for participation and contribution for those who were unable to attend the in-person breakfast workshops held in February and March 2025.

## Agenda:

- Update on solution prototypes introduced in round 1 workshops:
  - After-hours Toolkit
  - After-hours app wireframe
  - Residential Aged Care Facility Support Service (RaSS) pathway QR code resource.
- RACH Bed Tracker Workflow.
- RACH clinical pathways:
  - RaSS
  - HealthPathways
  - other resources.
