Welcome to the next meeting of The Cairns Group. Meeting monthly, on the first Monday or Tuesday of each month, we welcome GPs and dentists across the region to attend this month's session in person or virtually.

Dr Rob Miller, Dermatologist

Dr Miller graduated from the University of Queensland Medical School in 1989 and proceeded to specialist qualifications in Internal Medicine and Dermatology. He has worked as a Specialist in Townsville, Cairns, Cape York, Torres Strait and North Western Queensland both publicly and privately over the last 23 years.

He is now based in Cairns and provides a private practice service at the Cairns Skin Centre.

Dr Miller holds a number of positions within the Australasian College of Dermatologists including Chair of the Digital Health Committee and he is one of the two current Queensland State Censors.

We are pleased to welcome Dr Miller to the Cairns Skin Centre and in turn he looks forward to the opportunity to assist patients with their skin health.

Dr Dave Cuming, GP

While in the UK, Dave worked part time as a GP, part time as a dermatologist and he has always maintained an interest in skin medicine including skin cancer skin checks, excisions, management and prevention of skin cancer, at Redlynch Medical Centre.

Dr Bec Elliott, GP:

She was born and raised in Ingham and returned to that district in 2007 with her family. She made the move to Cairns in 2021, first working in Gordonvale and is now a practice owner at Cairns West Medical Centre. She is interested in all aspects of rural general practice especially preventative health and nutrition.
