NQPHN Values-Behaviour Blueprint

'We work together'

We connect co-operatively across boundaries to share ideas and achieve our goals together.

- > I will work co-operatively across teams to achieve outcomes.
- > I will connect with others to build trusting relationships.
- > I will share ideas, knowledge, and resources.

Leadership

'We are all leaders'

We are empowered, inspired, and will step up to create a better future.

- > I will role-model positive behaviours.
- > I will create opportunities to have a positive impact.
- > I will take responsibility for contributing to NOPHN's culture and success.

Integrity

'We do the right thing'

We hold ourselves to the highest standards of ethics and professionalism.

- > I will be consistently ethical and trustworthy.
- > I will display high levels of professionalism at all times.
- > I will represent NOPHN with pride.

Accountability

'We do what we say'

We own our actions, follow through on our promises, and live our values.

- > I will follow through on my commitments.
- > I will take ownership of my work and performance.
- > I will be transparent and forthcoming with information.

Respect

'We are considerate'

We hear, acknowledge, and value all people and voices, finding unity in our diversity.

- > I will actively seek out and value different perspectives.
- > I will treat all people with appreciation, dignity, and courtesy.
- > I will be culturally informed and sensitive.

This Values-Behaviour Blueprint provides a summary of NQPHN's Values-Behaviour Charter. The Charter represents a shared commitment from all staff to improving the future ways of working at NQPHN. The purpose of this charter is to outline the behaviours and actions expected of leaders and staff across NQPHN.
