Earlier screening

Learn more about the lowered eligible age for bowel screening
People 45 to 49 can request their first bowel cancer screening kit at their health check with the GP. Scan the QR code or [click here](#).

NQPHN acknowledges the Aboriginal and Torres Strait Islander peoples as Australia's First Nation Peoples and the Traditional Custodians of this land. We respect their continued connection to land and sea, country, kin, and community. We also pay our respect to their Elders past, present, and emerging as the custodians of knowledge and lore.
