

Dementia training courses

For healthcare professionals

Expression
of Interest

Northern Queensland Primary Health Network is seeking expressions of interest from healthcare professionals in the northern Queensland region to assess the need for dementia-related training and education.

Delivered by [Dementia Training Australia](#), these training courses provide high-quality education, skills, and tools to support and upskill healthcare professionals in caring for people living with dementia.

Dementia education topics include:

- Behaviour
- Dementia awareness and understanding
- Dementia diagnosis and support
- Diversity
- Enabling environments
- Physical wellbeing
